

Moonlight Beach Paddleboard Race
Presented by Nixon
May 17th, 2008

Thirty Two local paddlers came together for the First annual running of the “Moonlight Beach Paddleboard Race” from Oceanside to Encinitas, a distance of just over 11 miles. The weather, conditions and company couldn't have been better...80 degree air temperature, 67 degree water, a small N.W. push at our backs and all the guys that you really want to attend your race. We had a great Beach start at Wisconsin Avenue in Oceanside which was televised on Fox news and an exciting beach finish at Moonlight Beach, Encinitas. The paddlers were met on the beach with a feast provided by Wahoo's and NA Multisports and great swag provided by our sponsors; Nixon, Honolua, Excel, Maui Jim's, C4 Waterman/Boardworks and NCP. Everyone left the beach happy and full.
